

Can't Get Back the Feeling

Lookin' at the screen,
Listen to the news,
Sends my insides reeling,
Living in a world of pain,
The common emotion is grief:
Can't get past the feeling

Lookin' at the world today
I,
Can't understand its meaning,
Lookin' at the world today
I,
Can't get back the feeling,

And when the day,
Turns to the night
Hear what I say,
Must be time to join in the fight

Lookin' at the world today
I,
Can't understand its meaning,
Lookin' at the world today
I,
Can't get back the feeling,
Lookin' at the world today
I,
I'm stumbling and I'm reeling,
Lookin at the world today
i,
Can't get back the feeling,

Blessed are they,
Who shrink from the fight
But still find a way,
To go out and do what is right

Lookin' at the world today
I,
Can't understand its meaning,
Lookin' at the world today
I,
Can't get back the feeling,
Lookin' at the world today
I,

I'm stumbling and I'm reeling,
Lookin at the world today
i,
Can't get back the feeling.
