

Hard Time Today

Going out of my way,
To believe what you say,
I'm trying hard but I know it can't be that way

It's the price that we pay
For the games that we play
Times are hard but I know
They won't stay that way

Repeat x 3.

Going nowhere today
Feet are stuck in the clay,
If I moved it would just be to push you away

It's the price that we pay
For the games that we play
Times are hard but I know
They won't stay that way

Place my heart on the line,
Take the core, leave the rind
Every shard reminds me
How you make me feel fine

Take rejection in stride,
Never knew I applied,
And the main thing
Is knowing how hard I tried

It's the price that we pay
For the games that we play
Times are hard but I know
They won't stay that way

Well it's pouring rain tonight
And I'm staring at the traffic light
And it's staring back
Hoping for an answer soon
Beneath the pale of the moon
Am I on the right track?

Left a note on the floor,
Shuffled back from the door,
In the end, I don't know what I came for

Hard to figure it out,
What this deal's all about,
All I know is I'm glad just to muddle about
