

## Sail Away

Sail away,  
Why don't we,  
Sail away,  
To another shore  
Sail away,  
Where we've never gone before

Sail away,  
Shouldn't we,  
Sail away,  
If you will  
Sail away,  
Let's go explore

Solo

Sail away,  
Why don't we?  
Sail away,  
To a distant shore,  
Sail away,  
Let's walk out that door.
